Executive Summary

This report provides the Overview and Scrutiny Committee with the opportunity to scrutinise the draft Safer Woking Partnership Plan 2024-27.

The plan for 2024-27 remains very similar to previous plans with 5 key priority areas of: Anti-Social Behaviour; Crime; Drugs and Alcohol, Reducing Reoffending and Preventing Violent Extremism.

The draft plan proposals were considered by the Community Safety Partnership Group at its meeting on 6 March 2024 where it was approved in principle for publication subject to scrutiny by this Committee. The Joint Committee has previously agreed to delegate approval, in consultation with the Chair of the Community Safety Partnership Group, to make any minor amends as a result of scrutiny by the Overview and Scrutiny Committee so that the Partnership Plan may be published as promptly as possible after this meeting. Should the Overview and Scrutiny Committee have any significance issues of concern, the matter will be referred back to the Community Safety Partnership Group to consider prior to publication.

1.0 Introduction

- 1.1 This report provides the Committee with the opportunity to scrutinise the draft Safer Woking Partnership Plan 2024-27. A local assessment supported the decision making on the priorities for the plan, as well as other data, such as crime and anti-social behaviour, Surrey and officers' knowledge and experience. Public consultation information was also taken into consideration.
- 1.2 The Police and Justice Act 2006 gave local authorities responsibility for considering crime and disorder matters. On 6 December 2010 the Overview and Scrutiny Committee agreed a recommendation in a report on a suggested scrutiny agreement. This agreed that each new Safer Woking Partnership Plan would be brought annually to the Overview and Scrutiny Committee for appropriate scrutiny.

2.0 Development of the Safer Woking Partnership Plan

- 2.1 The Crime and Disorder Act 1998 placed a new duty on the police and local authorities to work together to develop and implement three-year strategies to tackle crime and disorder. These strategies are now based on an annual strategic assessment which aims to provide partnerships with intelligence and evidence of the priorities and problems for their partnership that will inform effective and responsive delivery structures.
- 2.2 Annual assessment work identifies current and possible future crime, disorder and substance misuse issues from sound evidence and analysis of data obtained via Surrey and relevant agencies. Locally officers have considered appropriate data and information which, when coupled together with their knowledge and experience, has led us to agree to carrying forward the current key priorities, for the production of the draft Safer Woking Partnership Plan 2024-27 Priorities and Action Plan (see Appendix 1). The background information regarding the partnership and legislation has now been separated from the action plan for simplicity and can be found attached (see Appendix 2).
- 2.3 The plan has 5 key priority areas as follows:
 - Anti-Social Behaviour - includes identifying and supporting victims and addressing key hotspot locations and problem individuals;
 - Crime - targeting crime prevention for fraud, domestic abuse, child exploitation (a national and local priority), hate crime and serious organised crime, while supporting victims appropriately;
 - Drugs and Alcohol - addressing the priorities contained in the Surrey Substance Misuse Strategy;
 - Preventing Violent Extremism - awareness raising and training for frontline staff; and
 - Reducing Reoffending - focusing on the support and development of the current multi-agency approaches with suitable interventions targeted at the most prolific offenders.
- 2.4 Following scrutiny by the Overview and Scrutiny Committee the final plan will be published on the Woking Borough Council web site, unless there is a significant issue in which case the matter will be referred back to the Community Safety Partnership Group for further consideration. The implementation of the plan will be monitored by the Community Safety Partnership Group.²⁵⁸
